Aruba sa cu e cuater tiponan ta presente.

Dengue ta indemico na Aruba. E trend di Dengue ta riba un low profile. Ora hinca e datonan den e curva e indemico e ta bao di nivel. Bo ta keda haya casonan pasobra tin espacio cu e sangura ta keda broei. Aumento di casonan di dengue ta vincula cu temporada di yobida. Asina mes tin casonan registra pasobra na cas mes no ta pone of cuida manera mester ta pa elimina criadero segun Eugene Maduro.

Roque Dirksz, director di GKMB durante e conferencia di prensa a splica un tiki riba nan proceso pa elimina virus di dengue. Nan ta ocupa cu e parti di prevencion tambe pa no yega asina leu den un situacion di Dengue na Aruba. Diaranzon awor lo cuminsa cu e swipe actie. Diferente departamento ta participa den e accion. Ta drenta hopi informacion na Wit Gele Kruis di cierto cas di cuido di nos grandinan priva cu no ta funciona

manera mester ta. E trato cu nos cuido mester ta uno di calidad.

Enfermeria y cuido no ta algo pa hunga cune. E preocupacion di Wit Gele Kruis ta pasobra hopi di e casnan no tin hende prepara pa duna e servicio aki. Asina mes nan kier keda nan cas y haya cuido na nan cas. Tin casonan di clientenan cu no por keda den nan cas pa cierto motibo di malesa. Asina mes Wit Gele Kruis ta yuda e grupo aki tambe cue ALPHA Hulp segun Gino Goeloe.

Na casnan priva si un hende bira malo no tin e cuido profesional. Adecuadamente un hende no por haya e atencion necesario. E casnan priva si un hende haya ataka of haya un pildo cu a traha robes, hopi di esnan trahando na cas di cuido priva no por señala e problemanan. Segun Gino Goeloe e tarea di enfermeria tin hopi mas cu djis cuida un grandi.

Eman "E trabou cu FOL hunto cu Kustwacht di Reino ta haciendo den nos region ta sumamente importante. Aruba a nota un diferencia grandi desde cu nos tin FOL y Kustwacht di Reino ta vigila e islanan aki. Nos islanan, cu tabata wordo hopi uza como punto di transito pa traficacion ilicito, a mira un cambio grandi den esaki. Nos tin hopi menos molester pa ta wordo uza pa esaki". Eman a haci mencion di e tempo cu e hunto cu Minister Verhagen a biaha den urgencia pa Venezuela na momento cu a surgi un problema entre Hulanda y Venezuela riba e funcionamento di FOL. Eman

"E tempo ey mi a duna un splicacion amplio na Minister Maduro di Venezuela cu FOL no tin ningun intencion di ta un interferencia den e teritorio di otro paisnan. No tin ni arma riba nan avionnan. Nan t'ey puramente pa vigilancia y pa intercepta cualkier peliger cu ta basa riba criminalidad". Prome Minister Eman a bisa cu unda y ki ora cu mester e ta dispuesto pa splica e balor di FOL na otronan. Islanan chikito dificilmente por financia nan propio proteccion. Nan ta vulnerabel si pa wordo uza pa organisacionnan criminal cu tin hopi placa y bon infrastructura. Si no ta pa un Kustwacht di Reino y un FOL, e islanan aki lo a wordo criminalisa den un forma cu lo tabata horibel.

Eman ta di opinion cu ta importante pa politiconan tin e curashi di bisa cu e tipo di cooperacionnan cu nos tin den Reino Hulandes, manera entre otro nos defensa y nos sistema hudicial ta garantisa camindanan legal di cana den Cortenan cu ta respeta den mundo henter. "Durante henter e periodo ey mi por a conta cu e apoyo total di embahadanan di Reino na Brazil, na Colombia, na Venezuela y na Merca. Nan a yuda nos habri portanan cu un isla chikito manera Aruba no por a habri su so. Ta e aporte aki, cu podise nos ta visibel pa tur hende, mester wordo expresa pa lidernan politico na nos comunidad. Esaki, pa ora nos evalua e balor cu nos tin di ta den Reino Hulandes, pa e comunidad ta conciente di e cosnan cu nan no ta mira, pero t'ey si cu ta duna un balor y sigurida sumamente importante y cu ta funciona den Reino.

Marlon Sneek tocante Parlamento den Bario

Marlon Sneek di e fraccion di AVP, a splica cu e presencia di miembronan di Parlamento den barrio tabata un idea tabata existi basta tempo caba. Tur caminda via e sistema di facebook y internet ,esaki tabata ser vocifera pa su presencia den e barionan y tabata sinti e falta di e parlamento den bario. E preocupacion tabata tey di e pueblo pa haya e atencion. Marlon Sneek di AVP a splica cu e habitantenan kier mas atencion y tin session caba pa duna entre otro e Centro di Barrio bida bek, cu pa hopi aña a perde su esencia di existencia y e meta cu e Centro di Bario aki a ser lanta.

Hopi biaha un habitante den un bario tin e mentalidad cu nan ta acerca e mandatario pa yudanza. Poco biaha nan ta acerca e parlamentarionan, pa trece nan ideanan con pa mehora nan barrio y conb pa uni e barrio mas ainda. Marlon Sneek di e fraccion di AVP durante e reunion di parlamento den barrio a splica cu nan a mustra esnan presente con na diferente ocasion y reunion a trece cierto cambionan a base di mocionnan entrega den reunionnan cu e Ministronan y di e forma aki mustra e interes cu simper a existi pa cu e Bario

E concepto tras di e presencia di Parlamento den Bario ta necesario y mas ainda hopi relevante,debi cu esaki ta trece un contacto mas estrecho entre pueblo y nos parlamentarionan.

Mester cuminsa mira e concepto di Bario pa loke simper e tabata,cu ta intercambia y duna informacion riba tur clase di indole,tanto cultural,social,como gobernamental.

Cu ta bai rebiba nos Centronan di Bario,esaki ta algo bunita y sigur alentador pa nos hendenan den Bario cu lo tam as participativo den nan respective Centro di Bario,awor mas cu nunca cu ta mira nan Centro di Bario active atrobe y cu por hasi uso den tur clase di forma di e Centro aki.

"Standard & Poors a afirma rating bao condicion cu Gabinete Mike Eman lo ehecuta mas medida riba lomba di Pueblo !!"

Algun dia pasa tanto nos flamante Ministro Presidente mr. Mike Eman como nos flamante ministro di Finanzas sr. Mike de Meza a gaba e rapport di Standards & Poors masha hopi mes. Segun nan Standard & Poors NO solamente a dicidi pa larga Aruba mantene su 'A-/A2' rating, pero cu esaki ta un decision pa aproba e maneho financiero di Gabinete Mike Eman tambe.

Partido PPA a busca…. un documento official di 'Standard & Poors' pa nos weita exactamente kiko nan a bisa. Nos kier a cita e essencia di nan decision:

" We affirmed our 'A-/A2') sovereign credit ratings on Aruba. The stable outlook on Aruba reflects our expectation that the government will be able to return shortly to its medium-term fiscal plan to reduce the central government deficit towards 3% of GDP in 2014. We expect that the government would implement further measures to contain fiscal slippage in the event the reopening of the island's oil refinery is delayed beyond a couple of months." Locual E ta tambe !!

Awor tanto den mundo diplomatico como den mundo financiero economico tin un lenguaje diplomatic ta worde usa na unda apesar cu e mensahe por ta profundamente e mensahe y e palabranan cu ta worde usa ta hopi suave y diplomatico. Ta tuma un persona pa lesa e mensahe hopi bon pa e comprende kiko nan ta a bisa.

Ora nos lesa e mensahe cu nos a cita…nos ta saca como conclusion cu MAS MEDIDA ta na caminda…! E prome parti di e frase ora Standards & Poor referi na e 'medium –term fiscal plan' to reduce the central government deficit towards 3 % of GDP in 2014' esey kiermen cu ja kaba den e plan aki tin un cantidad di medida pa jega na e meta di 3% etc etc….y ora Standards & Poor referi na 'further measures' ta nifica cu tin mas medida na caminda riba lomba di pueblo arubano. Y esey nos flamante Ministro Presidente Mike Eman y Ministro di Finanzas sr. Mike de Meza NO a bisa pueblo …..ta crea solamente impression cu door cu Standards & Poors a mantene su rating pa Aruba cu esey lo ta un aprobacion di nan maneho financiero….locual absolutamente E no ta !!

Partido PPA hibando oposicion di pafor di parlamento ta desea di interpreta esaki pa nos pueblo comprende kiko realmente ta tumando lugar. Nos ministronan a hunga wega nos pueblo pa tene nos pueblo bobo……larga nos comprende e posicion di 'Standard & Poors' ta cu mi ta afirma bo Credit Ratting bao condicion cu bo cumpli cu un pakete di medida riba lomba di nos pueblo.

Huzga pa boso mes !!

Solo HRs, Ivan Nova help Yanks sweep up Nats

WASHINGTON -- The New York Yankees are used to big crowds, used to so-called "playoff atmospheres" in the regular season. The clubhouse is stocked with players who know what it's like to be in first place.

Those are relatively new sensations for the on-the-rise Washington Nationals, who received a lesson or two in the Yankees' first trip to the nation's capital in six years. New York swept the series between division leaders, capping the three-game set Sunday with another solid performance from starter Ivan Nova in a 4-1 win.

"When you're playing as well as we are, no matter what the situation is, you feel like you're going to get it done," Yankees manager Joe Girardi said.

Both teams entered the series riding six-game winning streaks. The Yankees are now up to nine, their longest since May 2009. The series drew the eighth, ninth and 10th largest crowds in the 4½-year history of Nationals Park, with fans in pinstripes trying to outshout the locals in red.

"I think that's the one good thing that came this weekend," said first baseman Adam LaRoche, whose second-inning homer accounted for Washington's lone run Sunday. "That's about as close to a playoff atmosphere as you're going to get. ... You get the place packed, people going crazy and obviously it draws a lot of media attention. It'll be good for these guys, especially the young guys, to get used to that."

Nova (9-2) gave up seven hits and a run in an efficient, mostly trouble-free 7 2/3 innings to win his fifth straight start. He is also unbeaten in his last 15 road starts -- a streak that's been going for more than a year. He is 12-0 away from Yankee Stadium since losing to theLos Angeles Angels in Anaheim on June 3, 2011.

The offense, as usual, came from the long ball. Curtis Granderson and Robinson Cano hit the 98th and 99th Yankees homers of the season -- both solo shots -- to make up for another abysmal day (0 for 12) with runners in scoring position. New York is hitting a mere .216 with men on second and third this season.

"We're still not happy about that," said Mark Teixeira, who went 3 for 4 with a pair of doubles and drove in a run with a sacrifice fly. "I wish I could tell you the issue. We just have to be better at hitting with runners in scoring position. We can talk about offense all we want; the fact is our pitching staff is why we are here today."

Granderson homered off Edwin Jackson (3-4) in the fifth to break a 1-1 tie. Cano made it a two-run cushion in the seventh off Tom Gorzelanny. Another run came in the seventh on a passed ball by Nationals catcher Jhonatan Solano, who had another passed ball later in the inning.

Nova was pulled with two outs and a runner on base in the eighth. Boone Logan finished the inning, and Rafael Soriano pitched a perfect ninth for his 13th save.

The Yankees maintained a 1½ game lead over the Baltimore Orioles in the AL East. The Nationals also remain in first -- four games clear of the Atlanta Braves in the NL East -- but they hit a buzz saw, getting swept at home for the first time this season and scoring only six runs in the three games.

"We've got to play better than that," Washington third baseman Ryan Zimmerman said, "if we want to beat teams like that."

In particular, Zimmerman needs to hit better. He went 0 for 4 Sunday and 1 for 13 in the series to drop his average to .229.

"What really concerns me is we've got to get Zim going," Washington manager Davey Johnson said. "We've got to get Zim to a happy place."

LeBron James leads way with 29 points, 14 boards as Heat go up 2-1

MIAMI -- It's there every day for LeBron James and the Heat -- the sting of last year's NBA Finals loss.

Two more wins and it will be a distant memory.

James had 29 points and 14 rebounds, and the Miami Heat took a 2-1 lead in the NBA Finals with a 91-85 victory over the Oklahoma City Thunder on Sunday night. Dwyane Wade had 25 points, seven rebounds and seven assists for the Heat, who were in this same position through three games last year, then didn't win again against the Dallas Mavericks.

"We carry that pain with us," the Heat's Chris Bosh said. "We think about it every day and that really helps us to succeed in this series."

James' poor performance was part of the problem then, but he seems on top of his game this time. His 3-pointer sent the Heat to the fourth quarter with the lead, and he scored five straight Miami points when the Heat were building just enough cushion to hold off another late flurry by the Thunder.

"Just trying to make plays," James said. "I told you guys, last year I didn't make enough game-changing plays, and that's what I kind of pride myself on. I didn't do that last year in the Finals. I'm just trying to make game-changing plays, and whatever it takes for our team to win, just trying to step up in key moments and be there for my teammates."

Game 4 is Tuesday night.

Kevin Durant had 25 points for the Thunder, but picked up his fourth foul in the third quarter and had to go to the bench when they had seemed to have control of the game.

"It was frustrating," Durant said. "Of course we had a good lead and they came back and made some shots. We fouled shooters on the 3-point line twice. It's a tough break for us, man. You know, I hate sitting on the bench, especially with fouls."

The Heat survived their own fourth-quarter sloppiness -- nine turnovers -- by getting enough big plays from their Big Three.

James scored 30 and 32 points in the first two games, his two best Finals performances. He fell just shy of another 30-point effort but reached 20 points for the 20th time this postseason, two shy of Wade's franchise record set in 2006.

Gone is the player who seemed so tentative down the stretch last year in his second Finals failure. He's constantly on the attack now, all while defending Durant in key situations.

"He was great. He's been great for us all playoffs," Heat forward Udonis Haslem said. "I don't know if he looks up at the clock or score sheet, but he knows when we need him to make big plays and come through for us, and he comes through."

Bosh had 10 points and 11 rebounds for the Heat, who can win a second title by winning the next two games at home. That's what they did in 2006, one of just two home teams to sweep the middle three games in the 2-3-2 format.

They seemed out of it when Oklahoma City opened a 10-point lead midway through the third. But then Durant picked up his fourth foul with 5:41 left on Wade's baseline drive, though there appeared to be little or no contact. Thunder coach Scott Brooks decided to sit Russell Westbrook with him, and the Heat charged into the lead by the end of the period.

Westbrook looked angry going to the bench, but denied any frustration afterward.

"Nah, man. I mean, coach's decision," Westbrook said. "Got to live with it."

The Thunder grabbed their last lead at 77-76 on James Harden's basket with 7:32 left. James answered with two free throws about 20 seconds later, and the teams would trade turnovers and stops over the next couple of tense minutes.

Wade then converted a three-point play, and another minute went by before James powered to the basket, Durant trying to get in position to draw a charge but watching helplessly as he picked up his fifth foul. James made the free throw for an 84-77 advantage with 3:47 to play.

After another basket by James, the Thunder had one last burst -- haven't they always in this series? -- ripping off six straight points to get within one before Bosh made a pair of free throws with 1:19 to play. Durant missed badly on a wild shot attempt, and the Thunder missed another chance when Westbrook was off from behind the arc. James hit a free throw for a four-point lead with 16 seconds to go and Wade added two to close it out.

"Last year I don't know if we was experienced enough as a unit to deal with what came at us," Wade said. "I just feel like we understand the situations more and we can deal with it better."

The Thunder were just 4 of 18 on 3-pointers and hit only 15 of 24 free throws, unusually awful numbers for one of the league's best offensive teams. Harden, the Sixth Man of the Year, shot 2 of 10 for his nine points. Westbrook finished with 19 points.

Nationals DFA Brad Lidge

WASHINGTON -- The Washington Nationals designated struggling reliever Brad Lidge for assignment Sunday and activated reliever Ryan Mattheus.

Lidge signed a $1 million, one-year contract as a free agent in the offseason to add veteran bullpen depth behind closer Drew Storen and All-Star Tyler Clippard, but the 35-year-old right-hander couldn't find the form that made him a two-time All-Star with Houston and Philadelphia. He went 0-1 with two saves and a 9.64 ERA in 11 appearances with the Nationals, and opponents were batting .308 against him.

Lidge allowed three runs in Washington's 7-2 loss to the New York Yankees on Friday and was the losing pitcher against New York on Saturday, giving up two runs in the 14th inning of a 5-3 defeat.

General manager Mike Rizzo said the marathon game forced the move, with the bullpen in need of a fresh arm for Sunday's series finale.

"Brad wasn't performing very well," Rizzo said, "and Mattheus was ready to come off the rehab assignment. We thought this was the right time to make the move."

When Storen went down with an elbow injury during spring training, Lidge began sharing the closing duties with Henry Rodriguez, but a sports hernia sent Lidge to the disabled list in late April. He was reinstated on June 7.

"I think he was healthy," Rizzo said. "He said he was healthy. He threw like he was healthy. He was in no pain, no after-effects after he was done rehabbing."

Lidge debuted with the Astros in 2002. He has 225 career saves, and helped the Phillies win the 2008 World Series by going the entire regular season and postseason without blowing a save.

After Saturday's game, Lidge said he felt he was making good pitches, but the batters were finding the holes.

"Just keep throwing good pitches, quality pitches, and at some point those balls will get to people and we'll make outs," Lidge said. "But until then, you've just got to battle and keep throwing strikes."

Mattheus missed the last 24 games with a plantar fascia strain in his left foot. The 28-year-old right-hander went 0-1 with a 9.00 ERA in three rehab appearances with Double-A Harrisburg and Single-A Potomac.

In 19 relief appearances with Washington this season, Mattheus is 2-1 with a 2.25 ERA.
